Alhamdulillah

First of all, i'd like to give my praise to Allah SWT to for giving me strength to keep going in facing this immense challenge. Without his blessing, there's no way a mere man could withstand the trial that stand in my way. Secondly, i'd like to give my thanks to my parents, Bapak Sutrisno and Ibu Paryati, for keep giving me support in the time of great need, for keep pushing me to strive and achieve my victory, for keep being patient of me for i have been sluggish. I can't thank them enough for the love and care they've put onto me.

Next i'd like to thanks Mrs. Indah Puspawati as my advisor and Mrs. Sri Rejeki Murtiningsih as the Kaprodi. With their guidance i can overcome all the challenge that was laid before me. Without their helping hands i would surely have taste the bitterness of failure. Some more thanks for all of the lecturers that has teach me so much in this arduous long years. Because of them, i can learn so much about knowledge i didn't know and about my own shortcoming. Such an invaluable experience i can't simply get from anywhere else. Thanks for all your patient and nurturing hands that has lead me to be a better person.

Next i like to give gratitude to all of my friends of batch 2012, KKN group, and other batches that I've come to known over the years. I'd like to give special thanks to Aji, Is, Athena, Dede, Wahyu, Fendi, Anna, Eko, Rayhan, Ambut and others friend who I can't mentioned in here. I'd cherish the memories we all experienced to my old days. I also have to give thanks to my online friends, who always kept me in high spirit; and all of the responded who make this research possible.

To all parties I mention above, no words can expressed my gratitude for all the experience you give me. Once again, I'd like to say my utmost thanks from the bottom of my heart.
