Motto

Experience is the best teacher

First it tests us

Then teach us

The lessons we learned from our experiences are forever

It built us each day

Makes us wisher than before

We grow with experiences of our life

We fall, we fight and we stand against all odds

That's make is life all about

Acknowledgment

Bismillahirrahmanirrahim, In the name of Allah, the Most Merciful, I would like to thank Allah SWT who allows me the opportunity to learn and finish my study at the English Language Education Department of Universitas Muhammadiyah Yogyakarta since 2016. I would like to thank Allah who blessed me and give me health so I can finish my undergraduate thesis.

By the time of arranging this undergraduate thesis, there are a lot of people who gave me motivation, advice, and also the endless support, thus I can get through many barriers while conducting this study. Therefore, in this valuable chance, I want to describe all of my appreciation to the ones I love.

This undergraduate thesis is dedicated to my parent Mr. Supriyono and Ms. Siti Sofa Aeniyati for never ending-prayers, love, and the endless support which boost me to the best that I can. The greatest appreciation goes to my brother Mr. Aziz Azhari and my sister in law Ms. Desi Ekha Putri who always trust me to do the best, and also my beloved nephews' vino and farez that always cheering me up while conducting my study.

Then, this undergraduate thesis will never be complete without the greatest guidance from Sri Rejeki Murtiningsih, Ph.D. as my supervisor, Arifah Mardiningrum, S. Pd., M.A. as my examiner I, and also Puput Arfiandhani, S.Pd., M.A as my examiner II. Thank you for your time and dedication in guiding and give me constructive feedback and suggestion in writing my undergraduate thesis. I could not be accomplished this work without suggestions, support, and patience.

Hopefully, Allah SWT will always give His bless and protection to you and all of my lectures in ELED. Amin

Last, I would like to thank you for being surrounded by good friends who always support me. I give my love and prayers to all my friends of ELED UMY batch 2016 class C who gave me wonderful experiences and amazing memories for four years, especially to my best friend Fikri Adrian. Thank you for all the moments we made during these nine semesters, and the support we shared. I hope we can be successful in the world and the hereafter. Amin.
