## DEDICATION PAGE

For my mom and dad, I have passed all stages in my undergraduate program study. Day by day, month by month, and year by year I through in Jogja with studying in campus, organizations, and communities taught me so many valuable lessons. However, I realized that I would not get all those lessons without both of you. You're the ones that grow me, teach me so many things, and support me here in Jogja with your pray, hope, spirit, and money for sure. This supports that make me able to access so many lessons and experiences. I'm so grateful have you both that always trust me while I am apart from you. I dedicate this thesis and degree for both of you.

For my brothers, Ali and Usam, thanks brother for your endless support. Ali, thanks for being nice brother in Jogja. For giving support, help, and valuable lesson to not being stubborn son that always make our parents worried. I hope you can finish your master program in UGM this year, get a job, make our parents proud, and be a useful person for society, as father wishes. Usam, even you're not in Jogja, but I always remember your support that you send by phone. Be a nice man my little brother and finish your study soon hehe.

Next is for all of my family that never stopped giving me a valuable support and spirit. I know I couldn't be like this without your pray and support. Thanks ameh Edos, ameh Mun, Imah, Javar, Inayah, Alwiyah, Khaleh iyus, and Khaleh Emah. For Hafid Jamal Moh, my cousins that help me since my first time arrive in Jogja, thank you so much.

Furthermore, all of my friends IGOV batch'11 Robiah and tee that have graduated earlier, thank you for being my nice friends. Dipo, sigit, reza, and Muhammad, even you didn't finish your study in Igov, but you still my best friends. Roman and tyra, I hope you can finish

your study very soon. Mascu and vito, you're my brothers here. Study in the same class and live in the same house, you're my most valuable friends in Jogja. For all my governmental department friends, hope we'll be friend forever. Also for all IGOVERS family from batch '10 till batch' 14, I will never forget all of you my family. For HMI Komisariat Tunas Bangsa, an organization where I learnt so many many valuable lessons from various smart persons within it. Let's make our UMY be a green-black university forever, YAKUSA. For KOMAP and all of people who ever in the same struggle with me in KOMAP, thanks guys. It was a nice time with you.

For my first community that taught me practical politics, Turun Tangan Jogjakarta. I'm no longer consider all of you as friend, you're all my family. Last but not least, one of the most important community that highly change the way I think and the way I threat people, Rumah Baca Komunitas, I am so grateful I can be a part of this progressive community. Thanks cak David, my lecture that introduce me how interesting is local politic study, om wiek that taught me how to appreciate those who always being discriminated in this sick society, bang fauzan that always remind me how "stupid" I am with his knowledge from various books he reads (we call him omnivora = pemakan semua jenis buku haha), for mas sakir, my mentor and abang either in IP or in RBK, and also om unggul, gus ind, agam, relsan, agus, rama, hanafi, ikong, and lupet, a ton of thank you for all of you. My only hope for RBK, long live and always be Rumah nya Manusia.

## PREFACE

Praise to Allah Swt and greeting to Rasulullah Saw and his family, I am so grateful that I can finally finish my undergraduate thesis. First of all, I thank to my supervisor, Dr Zuly Qodir, that patiently giving advice for the improvement of my thesis. Next, for examiners of my thesis, Mrs. Ane Permatasari and Drs. Suswanta, thanks for your valuable correction and suggestion that you gave in examination. Furthermore, for Hertasning Ichlas and his staff in YLBHU, Kiai Nur, Pak Saningwar, Pak Mujahid from Pamekasan, Kiai Lutfi from Karanggayam, Kiai Ahsan Jamal from Blu'uran, Pak Faruq the klebun of Blu'uran village, Pak Munaji, Mabrur Rasyid and youth in Blu'uran, a ton of thank you for your help for giving data, a place to stay in Madura, and a warm friendliness. This thesis with "VIOLENCE & CONFLICT STUDIES: Analyze the Role and Motive of Trichotomy of Power on Attack and Expulsion Conflict of Shia followers in Karanggayam and Blu'uran Villages" title will never be finish without your advices and suggestions, and help.

However, as researcher, I realize that this thesis still has many weaknesses since the complexity of the research object requires a longer field research and more budgets, but I hope it can contribute to local political studies literature, especially for my department. Last but not least, thanks for all lectures in UMY governmental studies department because without lessons you taught me in my 3,5 years study here, I will never be able to finish this tough research.
