

## **ABSTRAK**

Artikel ini membahas pengaruh perjanjian Cotonou terhadap Perekonomian Afrika Selatan pada tahun 2000-2014 dimana pada perjanjian tersebut terdapat kebijakan bantuan ekonomi Uni Eropa berupa penyaluran sumber modal efektif sebagai kebijakan utama dalam berkontribusi memperbaiki perekonomian di Afrika Selatan yang merupakan salah satu negara dunia ketiga yang memiliki kekayaan sumber daya alam dan pangsa pasar yang besar namun masih memiliki faktor penghambat perekonomian yang diakibatkan oleh sejarah apartheid di masa lalu. Tulisan ini dikaji menggunakan teori pembangunan konvensional dimana pemecahan mendasar bagi negara berkembang dalam menghadapi masalah perekonomiannya adalah dengan menemukan sumber modal baru yang digunakan lebih efektif, sumber modal baru tersebut melalui bantuan ekonomi luar negeri. Dan, kebijakan bantuan ekonomi Uni Eropa melalui perjanjian Cotonou tersebut membantu Afrika Selatan dalam memperbaiki perekonomiannya di tahun 2000-2014.

**Kata-Kata Kunci :** *Perjanjian Cotonou, Kebijakan Bantuan Ekonomi Uni Eropa,*

*Perekonomian Afrika Selatan*

## **ABSTRACT**

This article analyze the impact of Cotonou Agreement towards South Africa's economic in 2000-2014 where there is an European Union economic aid's policy on these agreement that appears in kind of fund source which is transferred effectively as a main policy on contributing to improve the economy of South Africa, in this case, South Africa as a developing country is rich in natural resources and has a large market share but still facing the inhibiting factors on developing its economic which is caused by apartheid history that had ever been experienced. This article is examined by using the theory of conventional development which is told that a basic solution for developing country on facing its economic problem is by finding new fund sources with effectively used, these kind of new fund sources comes through foreign economic aid. And, with these kind of European Union economic aid's policy through Cotonou agreement is helping South Africa on improving its economic along 2000-2014.
