**Research Title : Conflict between Societies and Companies in The Context of
Ownership**

I stated that this Undergraduate Thesis is originally my work result. There are no other works that ever been proposed to gain Bachelor Degree in any Universities. As far as my knowledge, there is also no working result that ever published in the reference list. Moreover, if someday there are certain parties were feeling pain and report, I will responsible and overcome all the consequences.

PREFACE

Bismillahirrohmanirrohim

All praise belongs to Allah SWT for all his guidance and mercy so that the writer been able to finish Undergraduate thesis titled “Conflict between Society and Company in The Context of Ownership”. Sholawat and Greetings go to Prophet Muhammad SAW, the lighter, the greatest person as the messenger all knowledge to Muslim and His believer. This research aimed to analyse the agrarian conflict in Central Borneo, and to analyse the resolution practices in an appropriate way, and able to mapping the caused of agrarian conflict which is caused by various factors. The writer realised that this research still has many weakness and imperfections, the critique, and recommendations for greatness in the future are hoped. Moreover, I hope it can contribute as the reference for literature studies, about conflict resolution practices and environmental issues. In particular, the writer would like to thank my supervisor Mr. Eko Priyo Purnomo P.hD which gave the best treats as the guiding supervisor, valuable input and support throughout the entire period. Finally, I would thank my family for being helpful and best spirit during my time studying at International Program of Governmental Studies, UMY.
