Also, to my siblings, Fadhil and Vena. Then, my funniest cat 'Bulbul'. I'm thankful for you and I'm blessed to have you in my life.

Next, I want to thank to my very kind and detail undergraduate thesis advisor and my academic supervisor, Eko Purwanti, Ph. D. My dearest NCT, thank you for coming into my world and my life too with all the great songs that you made. I'm very grateful to have known such a great boy group like you. Thank you for always boosting up my mood in working on my undergraduate thesis. Especially, Mark Lee thank you so much for all the kind words that you give to keep on going and not give up. Thank you for accompanying me in finishing my undergraduate thesis. I'm so lucky to know you.

Last but not least, I wanna thank me, for believing in me, for doing all this hard work, for having no days off, for never quitting. The possibility of all those possibilities being possible is just another possibility that can possibly happen. Finally, I can pass this.
