Acknowledgement

Alhamdulillah, thanks to Allah SWT, because of His will and blessing, I was able to complete this thesis with the title "The use of English Short Story for Children to Enrich Students' Vocabulary Mastery". I realize that this undergraduate thesis would not be finished without prayers, support, and encouragement from various parties. On this occasion, I would like to express my gratitude to them.

First, I want to say a big thank you to my parents. My father, Bardusu, and beloved mother, Hapina. They are the greatest people in the world who always provide prayers, help, support, love, sacrifice, and enthusiasm while also listening to a lot of my complaints at every step of my journey in studying and compiling this undergraduate thesis. Big thanks also go to my beloved brothers and sisters: Sarwan, Kartin, Ancu, Maman, and my nephews who keep on being a place where I can rest and wind off.

Afterwards, thanks to my undergraduate thesis supervisor, Mrs. Jackie. Thank you for taking the time and providing suggestions for me, for your valuable time, valuable advices, and all the guidance during the process of writing this undergraduate thesis. I also express my gratitude to my lecturers, especially in the Department of English Education who have taught and guided me during my studies. Moreover, thanks to the principal and teachers of SMPN 4 Satap Bahari to allow me to conduct this research and to the students of SMPN 4 Satap Bahari for being the participants of this undergraduate thesis.

Last but not least, thank you to my friends who have always supported me in the process of writing this undergraduate thesis. Thank you to Sadam who always supports and asks me about the progress of my thesis also helps me by providing encouragement and motivation when I was tired and bored to work on my thesis. May Allah SWT bless everyone who is mentioned here.

In addition, I admit that this undergraduate thesis is still far from being perfect and I will be very happy to receive criticism, suggestions, and input for better results. Moreover, I also hope that this undergraduate thesis might provide benefits in the field of education.
