Alhamdulillah Rabbil Alamin, I would like to express my heartfelt gratitude to Allah SWT for allowing me to finish this *skripsi*. I want to thank my parents, who have always been understanding and have faithfully encouraged me until this point. You two never doubted me, even when I was not sure of myself. Thank you for completely loving me despite the fact that I will never be able to repay you. I am hoping that by finishing my *skripsi*, I will be able to make both of you proud. I adore you, *abah, mama*. Thank you to my sister, my cutie little niece, and my most handsome nephew for always making me smile with your cuteness without even realizing it. I would like to express my appreciation to Mrs. Fitria Rahmawati, S.Pd., M.Hum., my *skripsi* supervisor, for her constant assistance in preparing this *skripsi*.

Furthermore, I want to thank Laili, Tatak and Himeng who are always there at my best and worst. I will never forget the things you all have done for me. Also, for my friends whose names I cannot mention, thank you guys for always helping me and encouraging me to this point. I always appreciate all of your kindness. Next, I would like to thank my mood booster Kim Taeyeon and my babies aespa for indirectly helping me in completing this *skripsi*. It really encourages me, whether it is through your music or through random things you do. Also, thanks to Blackpink and other musicians whose songs I always listen to when working on my *skripsi*, without you guys I would have fallen asleep
