Acknowledgement

All praises and thanks be to Allah SWT, the most gracious and the most merciful for all the blessings and chances that He always give to me. The health, grace, and live that he bestowed upon me in completing this *skripsi*. The writer realizes that without Allah' blessings and his guidance, it is impossible to finish this *skripsi*. Sholawat and sallam may Allah send them to our Prophet Muhammad SAW, the greatest adoration of all the Muslims over the world.

Also I would like to thank to my supervisor, Ms. Arifah Mardiningrum, S.Pd., MA for all the guidance, advice and support that she gave to me in the process of finishing this *skripsi*. I really appreciate every hour, minute, and second that she spends with me for this *skripsi*. I thank her patience, I realize that this *skripsi* will not this far without her intervention. I also thank all lectures of English Language Education Department for their dedication of teaching me many important things that are very beneficial to me. Also for the first examiner of my *skripsi* Mariska Intan Sari,S.S., M.A. and the second examiner Eko Purwanti, S.Pd., M.Hum,.Ph.D who give me suggestions and recommendations for my *skripsi* so that makes my *skripsi* better.

I also want to profound my gratitude to my beloved parents and brother, who always show me their love, patience, and support in process of my study in college. Thank you very much for all your prayers that you sent to me for my goodness. I also thank for giving me a chance to become who I am and who I

want to be right now. Also, Thank you for helping me in achieving my life' goals. I'm nothing without you.

Last, I want to show my gratitude for my support systems, my friends who always have my back. People who always support me in finishing this *skripsi*. Thank you for accompanying me in passing one of my ladders for the future. I hope I could see you achieve all your wishes that you told me, later.

Abstract vi

Chapter One 1

Introduction 1

Background of the Problems 1

Identification of the Problems 4

Delimitation of the Problems 4

Research Question 5

Research Objectives 5

Significance of the research 5

Organization of the Research 6

Chapter Two 9

Literature Review 9

Visual Impairments 9

Visually Impaired Students 11

Types of Visually Impaired students 11

Adaptive Learning for Visually Impaired Students 13

The Implementation of doing Online Learning System during the Pandemic 14

Problem of Visually Impaired Students in doing Online Learning 15

Strategies to solve the problem of Visually Impaired students in doing Online Learning 17

Review of Related Studies 18

Conceptual Framework 20

Chapter Three 22

Methodology 22

Research Design 22

Research Setting 23

Research Participants 23

Data Collection Technique and Instrument 25

Data Collection Procedure 26

Data Analysis 27

Data Transcribing 27

Coding 27

Trustworthiness 29

Chapter Four 30

Finding and Discussion 30

Challenges that Visually Impaired Students Face in Online Learning 30

Challenges in technical problem 30

Lack of Assistantship 32

No regular assisting tools 34

Materials are not designed for Visually Impaired Students 35

Being Overwhelmed with the tasks 36

Strategies Used by Visually Impaired Students to Overcome Online Learning Challenges 36

Asking for assistantship 37

Applying technical preparation 38

Using specific application to facilitate the online learning 39

Chapter Five 42
