ACKNOWLEDGEMENT

In the name of Allah, Most Gracious, Most Merciful

All praise and glory to Almighty Allah (S.W.T) who gave me courage and patience to carry out this work. Peace and blessing of Allah be upon last Prophet Muhammad (S.A.W).

I would like to express my special appreciation and thanks to Indonesian government for giving this opportunity as one of the scholars from Philippines in particular to education attaché DR. Paristiyanti Nurwadani and Drs. Soerdi of consulate general of Indonesia in Davao city Philippines. I would like to thank you for giving me a chance to study master's degree in Islamic study here in beautiful Muhammadiyah University of Yogyakarta Indonesia. I would also like to thank Eng.Cabel Nulhasan administrator of Almunawwara Islamic school in Davao city for helping my application possible even at hardship, my sincere thanks also goes to Dr. Kasmil Abdulwahid for your brilliant comments and suggestions, thanks to you.

Foremost, I would like to express my sincere gratitude to my advisor professor Dr. Arif Budi Raharjo, M.Si Director of Islamic study in PASCARJANA UMY and for the continuous support of my Master's degree study and research, for his patience, motivation, enthusiasm, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better

advisor and mentor for my Master's degree in Islamic study major in communication and counselling Islam.

In addition, I would like to thank the rest of my thesis to Drs Syamsudin M. P.d. As my second advisor and also to Sri Sumaryani ,Ns. M.kep., Sp. Mat Head of faculty of nursing in UMY and Nur Chayati, Ns. M.kep,4th year nursing clinical coordinator for allowing me to conduct my research in your faculty may Allah grant you goodness for your kind consideration and also one of the thesis committee Hilman Latief ,Ph.D. board of research publishing, and community development for your insightful comments, and hard questions.

A special thanks to my family. Words cannot express how grateful I am to my family for all of the sacrifices and supporting me throughout my life. Your prayer for me was what sustained me thus far.

Last but not the least, I would like to thank to my fellow scholars for enjoyable moment together with them here in Muhammadiyah University of Yogyakarta Indonesia.

And above all to almighty Allah for his mercy and blessing.

DEDICATION

I dedicate this thesis to Allah (S.W.T) Master and Author of life who has endowed me with the capacity to increase in knowledge and wisdom and has guided my path thus far, I dedicate this thesis to my beloved parents who have never allowed less than my best who have seen me at my absolute worst and still love me more than I can imagine,

I dedicate this thesis to my amazing family and friends who were consistently in my corner, giving me confidence when I was hesitant, providing care when I was too fatigued to continue and continuously reassuring me that I could and would realize my goals, to my professors and fellow scholars, who encourage and support me and taught me that the best kind of knowledge to have is that which is learned for its own sake , To All the people in my life who touch my heart.

Finally, I dedicate this thesis to you, the reader, with the hope that it will assist you in your pursuit of knowledge.
