## STATEMENT OF ORIGINALITY

I, hereby certify that my undergraduate thesis under the title "*Japan's Cyber Diplomacy: The Establishment of ASEAN-Japan Cybersecurity Capacity Building Center (AJCCBC)*" is original and has not been submitted for any degrees at Universitas Muhammadiyah Yogyakarta, other universities and/or higher education institutions.

In this undergraduate thesis, there is no work, ideas or opinions of others, unless clearly written and listed as a reference in the script with the name mentioned and listed in the references.

I wrote this statement truly and if in future there is a discrepancy in this statement, then I would accept any academic sanction in accordance with the applicable rules at Universitas Muhammadiyah Yogyakarta.

Yogyakarta, 22th July 2022

your number 1 reason”**

## ACKNOWLEDGMENT

This undergraduate thesis firstly started in the mid of November 2019 and come to an end in the first of July 2022, such a long time to finish an undergraduate thesis. The research was conducted under the supervisor of Sir Ali Muhammad, Ph.D. where the thesis proposal which consist of background, research question, theoretical framework, methodology of research, organization of writing, and set of research argument has been examined, revised, and approved by Sir Ali Maksum, Ph. D and Mrs. Ratih Herningtyas, S.IP., M.A. and the final result of the research has been presented and assessed on July 6 2022 in front of two eximeners including supervisor, Sir Dr. Takdir Ali Mukti, S. Sos., M. Si., and Sir Drs. Husni Amriyanto Putra, M. Si.

After many considerations with positive reviews and small revision, this undergraduate thesis be avowed passed the examination and can be acknowledged as legitimate undergraduate thesis and being endorse as a source of knowledge under the name of International Program of International Relations Department, Social and Political Science Faculty, Universitas Muhammadiyah Yogyakarta. However, it would have not been possible without the support, help, and guidance from various individuals whose contributions proved invaluable at every process of its stages. Therefore, the writer would like to thanks:

1. My beloved Papa and Mama who have been patiently waiting and supporting their only son. It took me a very long time to complete this thesis, more than 2 years. Along the way, there were many obstacles that mostly arise from oneself, lack of confidence, feeling lazy, and feeling afraid of not being able to finish this thesis further prolonging the time needed to complete it. Infinite gratitude for having 2 angels who always there to support and

pray for their child so that he can soon become a graduate and face the next phase of his life. You two are the biggest blessings in the world that Allah has ever create for me.

2. Sir Ali Muhammad, Ph. D. as my full-time supervisor. I do realize there were so many mistakes that I did during my supervision. Coupled with 2 years without news and progress in writing this thesis, it adds to the weight of your work. Your contribution constitutes the bulk on my undergraduate thesis. You teach me, guide me, and inspire me the most. All of your word proved Invaluable because it means a lot to me, thank you so much.
3. Sir Ali Maksum, Ph. D., Mrs. Ratih Herningtyas, S.IP., M.A., Sir Dr. Takdir Ali Mukti, S. Sos., M. Si., and Sir Drs. Husni Amriyanto Putra, M. Si., for being a part of my undergraduate thesis journey. All your suggestion, critique, correction, and input were very helpful in refining the objectives of the thesis topics.
4. My lovely Mbak Pipit and Mbak Puput who have become my best alarm and time reminder. Maybe you won't be reading this, but without you, perhaps, your only brother wouldn't be able to graduate from this course. I love you guys.
5. My best friend, enemy, and partner, Trias Desri Asmarita. Thank you for always be there for me. I know, writing your name here when we don't know what the two of us will be in the future would be a little bit silly. However, I am writing this as a token of my gratitude for all the support you have given me so far. Thank you so much Buy.
6. My lovely little Nephew, Sheeva Alnaira Setiawan, thank you for being another source of happiness for your uncle, for being a medicine when stress hits

and for being a source of inspiration for writing this thesis.

7. Raihan Afifudin and Nadia Rossa Putri who have become the “Flintstones” and friends in completing this thesis. Without you guys, maybe, I'm still stuck on campus right now. You know what you have done for me, thank you.
8. Gasyung Family, Dhony Kalisno Joan Tatra, Fachrizal Anshori Budimansyah, Luqman Nur Fauzan, Muhammad Ary Nuansa Slamet, and Rahmat Insani Ilman Lubis, my little family in college, thank you for accompanying my boring college days.
9. Aisyah Wahdaniah Mulya Ningsih, Nabila Rizky Sri Handayani, Rizkan Halal Taiban, Muhammad Wiranata Pratama, Nurul Chaliza Usman, Dwiva Khaeranni, Favian Dwi Tantra, Salma Avia Permata Putri, Niar Maharani, Rizky Ihza Pratama Isman, Nadia Atma and IPIREL 16 colleagues which I cannot mention one by one. Thank you for accompanying my campus world all this time and for being very supportive friends.
10. KKN Tawau CLC FGV Sahabat Team, Hilda Elroza Dewi, Annisa Rahmah, Desyani Twindy Hapsari, Meilisha Intan Zhakya, Indah Puspita Sari, Dewi Puspita Neng Ati, Andini Syafitri Ningrum and Nurjihana Mufida. Without all of you, my KKN live would be so boring, living almost a month with you guys made me realize how strong women are when combined into one group.

## PREFACE

*Bismillahirrahmanirrahim,*

*Alhamdulillah* robil'alamin, praise and gratitude to Allah SWT who without His mercy, grace and help, this undergraduate thesis with the title "*Japan's Cyber Diplomacy: The Establishment of ASEAN-Japan Cybersecurity Capacity Building Center (AJCCBC)*" would not have been completed and become as it is today.

This undergraduate thesis is presented to fulfill the requirements for the attainment of Bachelor Degree of Political Science under the International Program of International Relations Department, Social and Political Science Faculty, Universitas Muhammadiyah Yogyakarta. However, the writer believes that there are still many spaces in this undergraduate thesis can be updated in the near future. Therefore, advice, critique, input, and or even continuing research under this topic are permitted and highly recommended.

Hopefully this undergraduate thesis can be useful for those who want to learn more about the role of Official Developmental Assistance (ODA) in the development of increasing the capabilities of countries in dealing with security problems, especially in the field of cyber security. The author will be very happy to hear that on another occasion, one of you can maximize the shortcomings in this research topic.
