4.11 Model Summary.....	43

## DEDICATION

*Finally, after a long wait, the dream came true, and we graduated despite the circumstances, adversity, distance, hardness, bitterness, alienation, and a sincere heart full of love and gratitude. I dedicate this graduation to my husband, my son and daughter, my father, my mother and my brothers, may God protect them. Wherever you are, you are my number one supporter and my pride in this world. You have supported myself. I ask God to protect you. I would give it my soul to you and it is enough for me to be proud of you too and I dedicate this for my graduation to my family and everyone who loves to see I am happy.*

## ACKNOWLEDGEMENT

Praise be to God. Praise be to God, Most Gracious, and Most Merciful for his grace and guidance that the writer can finally finish this thesis as a partial implementation of the graduate program in civil engineering for a master's degree.

This thesis is part of the writer's life experience and represent represents the hard work and endless study that he has been striving for all this time. On such a happy occasion, the author would like to thank the following respected persons:

1. Rector of Muhammadiyah University, Yogyakarta Dr. Ir. Gunawan Budiyanto, M.P.
2. Director of post graduate program of Muhammadiyah University, Yogyakarta Dr. Sri Atmaja.
3. Dr.Dr Nur Hidayah, Dr.Maria Ulfa In completing this thesis with guidance, direction, and encouragement which is very helpful and useful for preparing and writing this.
4. Dr.dr Arlina Dewi and all lictors of master of hospital administration of Muhammadiyah University, Yogyakarta.

Finally, a really thank you to all those whom I cannot name. We hope that this thesis will be useful and can be useful resources for other researchers.

Yogyakarta, June 2021

Nisreen Salih Ali Ibreekaw
