FOREWORD

All praise is due to Allah SWT for providing convenience, grace and grace in the writing of the thesis with the title "The Influence of Budget Evaluation, Budget Feedback, And The Difficulty of Budget Goals on The Managerial Performance of Regional Work Unit Which is Strengthened by Transformation Leadership Style" . This thesis was prepared to fulfill one of the requirements in obtaining a bachelor's degree at the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta. The author takes this topic with the hope that every OPD that makes a budget always pays attention to the importance of planning and calculating the budget so that later it will improve their managerial performance.

The completion of this thesis is inseparable from the guidance and support of various parties, therefore on this occasion the authors would like to thank as much as possible to:

1. The Dean of the Faculty of Economics and Business, University of Muhammadiyah Yogyakarta, who has provided guidance, guidance and facilities while the author completes his studies
2. Mr. Rizal Yaya, SE., MSc., Ph.D., Ak., CA, who patiently provided input and guidance during the completion of this paper.
3. Father and mother and my brothers who always give encouragement and attention to the author to be able to complete studies

4. All parties who have provided support, assistance, convenience and enthusiasm in the process of completing this final project (thesis).

As a final word, there is no ivory that is not cracked, the writer realizes there are still many shortcomings in this thesis. Therefore, criticism, suggestions and further research development is very necessary for the depth of papers on this topic.
