TRIBUTE PAGE

Assalamualaikum wr. wb.

First of all, I sincerely dedicate this thesis to my lovely parents, who have very high hopes for me to complete my study at this level. They are very sincere and have raised me until now without feeling tired. Thank you for all the sincerity, compassion, love, and everything else that has been given to me. This is also the strongest reason for me to still survive until now. Through this tribute page, it is also proof that I have kept the promise I made when I first entered this university, which was to graduate from this university with satisfactory grades. I really hope my parents are happy and proud with this achievement.

I also dedicate this thesis to my family, my siblings, who always support me in every way, always gives me affection and attention, who always miss and wait for my return to my hometown. Through this tribute page, I also would like to express my deepest gratitude. Furthermore, I dedicate this thesis to my beloved friends in my hometown, also my friends in Yogyakarta, and all over the world who have accompanied, supported, and helped me in the completion of this thesis.

And lastly, I would like to dedicate this thesis to myself, who has persevered so far in various ways, who survived at the lowest point of life which made me wanted to end everything, yet I've chosen to stay in this world, thank you for surviving all this time. You're a strong woman, now and forever, Mayang Sita Dewi.

Wassalamualaikum wr. wb.

PREFACE

Assalamualaikum wr. wb

All praise and gratitude the writer wishes to the presence of Allah SWT because of His Grace and Hidayah so that the writer is being able to complete this undergraduate thesis with the title: The China's Health Diplomacy Towards Indonesia During COVID-19 Pandemic. Salutation and greetings are always poured to the Prophet Muhammad SAW who brought the people from the realm of darkness to the bright world.

This thesis was compiled to fulfill one of the requirements to completing the study and in order to obtain a Bachelor's degree in International Program of International Relations, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta. The author realizes that the preparation of this thesis still has many shortcomings and still far from the perfection, this is due to the limited ability that the author has. However, the author hopes that this thesis can provide many benefits to the readers.

The completion of this thesis cannot be separated from the guidance and support from the university, therefore on this occasion, the author would like to thank as much as possible to:

1. Dr. Ir. Gunawan Budiyanto, M.P, as the Rector of Universitas Muhammadiyah Yogyakarta;
2. Dr. Takdir Ali Mukti, S.Sos., M. Si., as the Dean of Faculty of Social and Political Sciences of Universitas Muhammadiyah Yogyakarta;

3. Dr. Sugito, S.IP., M.Si., as the Head of the International Relations Study Program of Universitas Muhammadiyah Yogyakarta;
4. Zain Maulana, S.IP., M.A, PhD, as the Director of IPIREL;
5. Dian Azmawati, S.IP., M.A., as my academic supervisor;
6. Ali Muhammad, S.IP., M.A., Ph.D, as my thesis supervisor who was very patient with my shortcomings during the writing of this thesis and did not get tired of giving me a lot of input and suggestions as well as the time;
7. All the lecturers of the International Relations Studies in Universitas Muhammadiyah Yogyakarta, who have given me a lot of knowledge and very useful lessons while I was a student of International Relations in Universitas Muhammadiyah Yogyakarta;
8. The entire administrative staff of the International Relations Study Program which includes the Head of Study Program staff, Administrative Staff and International Relations Laboratory staff who have provided information, and made all my administration easier while I was an International Relations student in Universitas Muhammadiyah Yogyakarta.

In the end, for all the shortcomings and imperfections of this thesis, the author expects input, criticism and constructive suggestions towards the improvement and refinement of this thesis. Finally, hopefully, this thesis will give benefit to the development of science.

Wassalamualaikum wr. wb

EXTENDED GRATITUDE

This undergraduate thesis was only possible with the incredible support from those who have been with me in my whole life and still be there for supporting me to pursue my undergraduate degree. How thankful I am for having them. Words might be not enough for extending my sincere gratitude, through this page I want to wholeheartedly and personally thank to:

1. My best mother (Dewi Retnowati) in the whole world, my beloved father (Lantip Sri Sadewo) and my two siblings (Jakso Alan Dewo & Prasetyo Ridho Wibowo) who always being there for me in everything, always prays for me, loves me, supports me morally and materially all this time, thank you very sincerely and profusely for everything.
