Acknowledgement

First of all, I would like to express my gratitude to Allah SWT, who has always given me the health and well-being that is needed to complete this thesis. Then, thanks to the Prophet Muhammad Sallahu Alaihi Wassalam who has guided me to a brighter life.

My gratitude also belongs to my beloved family, my parents, Fauzi and Sulastri, my sister Listiana, my little sister Kayla Assyfah, who always give encouragement, strength, love and support so that I can finish my thesis and they are always behind me .

My dearest supervisor Ms. Evi Puspitasari, S. Pd., M. Hum., as my thesis supervisor. Thank you for the guidance, patience, and kindness that you gave me. Ms. Evi always gave me good support and guidance until I was able to complete my thesis. She influences people to always be grateful and do things optimally. I also hope that whatever activities Evi does in the future will be of benefit to many people.

Thank you to all my lecturers from the English language education department who have provided knowledge to me for the last four years. All English education lecturers provide knowledge without self-esteem, I am very lucky to take English education because I can meet great people like my lecturers. I hope all students can love and appreciate them.

For my participants, I thank you for the time and opportunity for me during data collection. Thanks to them I was able to finish my thesis easily. I hope that whatever they do in the future they will be able to benefit the people around them.

I also thank my sister from the English education department who has gone through struggles while being a student on campus. Especially Deta, Listya, Amalia, Denta, Intan, Beby, Selma. They are a part of my life that has accompanied me to this point. They gave color to my life while studying at this college. I hope they all find success in the next step of their life journey.

My friends who are always by my side in joy and sorrow, Ade Riska, Handiani, Arindi, Meidi Lisya. Thank you for always reminding me not to give up, thank you for being able to make me survive up to this point, thank you for accompanying me in my process. I'm sure we will remain friends until we are old. I hope they can achieve what they aspire to.

Last but not least thank to myself. Thank you for being great at going through the process in life. This is not the end of an achievement but this is the beginning of the struggle.

Best Regarts,

Ida Tirana
