I would like to extend my gratitude to several individuals who have greatly contributed to my undergraduate program, because I do believe that because of them I could not have made it this so far.

To my parent, Domyazin, S.H and Dra.Uswatun Khasanah, S.Pd., for never stop ending hope and pray, and still give me a support whenever and wherever I go. I do believe that their prayer still belongs to me forever and ever. I will never can replace your kindness, *pak, bu!*

To Miss Jackie, my supervisor, for never stop ending support and her dedication to help me finish my undergraduate thesis on time. For your kindness, thanks miss!

To all my supporting system, Joni (my motorcycle), Lepi (my laptop), Berliana, and *Kontrakan Uhuy* gengs who have transferred a positive energy to me.

Last, but not least, thank you to myself, to me, and to I for being okay when it's not okay. Keep it up, we still have a long bumpy road ahead!
