DECLARATION PAGE

Hereby this letter declare that,

Name : Tsana Febiska Alivy
Student Identity Number : 20180520040
Study Program : Government Science
Faculty : Social and Political Science

I hereby declare that my thesis entitled: "**DISASTER RELIEF MANAGEMENT DESIGN OF SLEMAN REGENCY**" I made it with my own work and do not contain work that has been submitted for a bachelor's degree at my university. Furthermore, if it is later proven If there is duplication, and there are other parties who feel aggrieved and sue, then I will be responsible and accept all the consequences that come with it.

MOTTO

Every human being has a different condition, different portions dan different Story. Man can plan but Allah Almighty is as good as a planner. Your job is just to try and be the best version of yourself.

DEDICATION

By saying hamdalah and joy, I dedicate this paper to the people who attended and provided support in all the maturation processes until finally this thesis can be completed in 2023, thank you to:

1. To my beloved parents, Yasmu Kurniady and Nurlaila Ekajani for their unfailing love and prayers.
2. To my dearest, Succ and Mimin and the whole family that has completed the episode of life for good.
3. To the funniest cat family, Bolu, Boba, Bocil, Cibo and Cibi are always present in all emotions.
4. To myself, who has tried to be the best version of you.

PROLOGUE

In the name of Allah, the most gracious and the most merciful

Assalaamu'alaikum Wr. Wb.

Thanks to Allah SWT for love and wisdom so that the author can complete the preparation of the thesis entitled Disaster Relief Management Design of Sleman Regency in 2023. Not to forget that prayers and greetings are always poured out to the example of mankind, the Prophet Muhammad S.A.W.

This thesis writing is submitted to qualify for a Bachelor's Degree In Government Science, Faculty of Social and Political Sciences, Muhammadiyah University of Yogyakarta. The title of this thesis is "Disaster Relief Management Design of Sleman Regency"

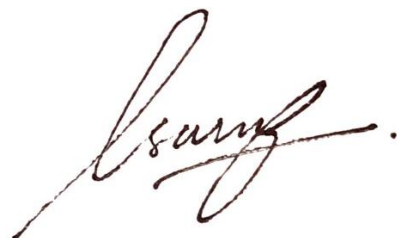

Thesis preparation can be realized based on prayer, cooperation, guidance, and encouragement from various parties in the process of discussion, direction, and emotional assistance so that it can be resolved properly. Therefore, on this occasion I would like to express my deepest gratitude to:

1. Allah SWT, the Lord of host who is the best listener and giver of the best destiny.

2. Mr. DR. Takdir Ali Mukti, M.Si as Head of the Faculty of Social and Political Sciences, University of Muhammadiyah Yogyakarta and all his staff.
3. Mr. DR. Tunjung Sulaksono, M.Si as Head of the Government Science Study Program, University of Muhammadiyah Yogyakarta and all his staff.
4. Mas Sakir Ridho Wijaya, M.IP as the my Thesis Supervisor and Director of International Program of Governmental Science who has provided guidance, input and direction in the preparation of this thesis.
5. All resource persons who have helped and provided the information the author needs.
6. All colleagues, organizations, and the academic community of Universitas Muhammadiyah Yogyakarta who were present in space, time and opportunity.

Thus, the prologue from me as the compiler of this thesis, once again I say thank you as much as possible and apologize for my mistakes to all parties who have been present in all my processes in pursuing undergraduate in the Government Science Study Program.
