PREFACE

Assalamua'laikum Wr. Wb.

Praise to Allah SWT who has given me the will, strength, and courage so that I can finish this undergraduate thesis. Shalawat to the great prophet Muhammad SAW.

This undergraduate thesis title “The Influence of Profitability, Company Growth, Management Change, and Company Complexity Towards Auditor Switching” is written to fulfil one of my requirements to attain the Bachelor Degree of Accounting. The researches took this topic in order that it may provide insight to the auditor switching factors in the industrial sector of companies listed in ISSI.

The completion of this undergraduate thesis is not without guidance and supports from various individuals and groups. Therefore, the researcher would like to thank the following parties:

1. Mr. Wahyu Manuhara Putra, S.E., M.Si., Ak., Ca. as a supervisor who patiently guide the research as thoroughly as possible and his full support towards me.
2. All of Accounting Lecturers in Faculty of Economics and Business in Universitas Muhammadiyah Yogyakarta who provided knowledge through formal meeting and informal meeting.

3. My family which greatly supports me through my up-and-down completing this undergraduate thesis.
4. All of my friends in International Program Accounting 2016 which helps me with all of their heart.

In hope that all of your supports and assistance have given the researcher the will to finish this undergraduate thesis until the end. The researcher will like to be given constructive critics and suggestions for further research development regarding the topic. The researcher hopes that this study can be useful for the readers.
