MOTTO

“And so (also) there are various colours and types among humans, reptiles, and livestock. Indeed, those who fear Allah among His servants are only the scholars (those who know the greatness and power of Allah). Verily Allah is Mighty, Most Forgiving”.

(Qs: Faathir verse 28)

I wish this present to,

My beloved parents

ACKNOWLEDGEMENT

I have received good health, blessings, and guidance towards completing my academic studies by Allah's grace and pleasure. Furthermore, I extend gratitude to many individuals who have been instrumental in achieving this dream. My head supervisor, Dr Arni Surwanti, has provided constant feedback, advice, and guidance while inspiring and challenging my critical thinking skills and ideas in creating a wholesome, relevant research study. Furthermore, my co-supervisor, Dr Firman Pribadi, has dedicated his time off and busyschedule to ensure his research methods and academic teachings are well understood and applied in research. My special thanks also go to the Head of the Management Program, Dr Arni, who has inspired a class of hardworking and educative supervisors and professors who have guided me well through my studies. I am delighted to have received this opportunity from MuhammadiyahYogyakarta University to advance and expand my knowledge potential. In addition, my parents and siblings have instilled in me humility, patience, and support, which has enabled me to complete my master's studies.
