STATEMENT

Hereby I,

Name : Putri Serly Audia

Student Number : 20200420377

Stating that this thesis with the title: **"THE EFFECT OF ACCOUNTING INFORMATION SYSTEM, WORK MOTIVATION AND THE USE OF INFORMATION TECHNOLOGY ON EMPLOYEE PERFORMANCE IN THE PASURUAN ERA "** No work has ever been submitted for a bachelor's degree at any university. In addition, as far as I am concerned, no opinion or writing has ever been written or published by anyone else, except those mentioned in writing in the bibliography and referred to in this thesis. If it is proven that the work or opinion mentioned in this thesis has ever been written or published by someone else, then I am willing to publish it.

Yogyakarta, March 15 2024

Putri Serly Audia

PREFACE

By saying hamdallah and by the power and will of Allah SWT, I dedicate this work to people who endlessly continue to pray, support and help me in working on this paper.

1. To my parents who have always sincerely and tirelessly prayed, supported and encouraged me in running lectures for approximately 3.5 years.
2. To my brother and sister-in-law who have prayed and supported me in completing this final project.
3. To the extended family who always gave me support at the last time of my college.
4. To Mrs. Dra. Arum Indrasari, M.buss., Ak., CA as the thesis supervisor, who has provided direction, advice, and advice in working on this paper.
5. To Intan Nawang as a friend of struggle during high school who always accompanies, encourages, and supports each other until now.
6. To the IPacc 2020 classmates who are overseas all friends who always accompany and support each other.
7. To the closest friends khadiva and another who have always accompanied in the thesis process until now.
8. To the lecturers of the Accounting study program, University of Muhammadiyah Yogyakarta, thank you for all the knowledge that has been given.
9. To friends and friends who cannot be mentioned one by one, thank you for

providing support in writing this paper and thank you for all the good things that have been given, hopefully the friendship relationship can be established until old age.

10. To the beloved campus of the University of Muhammadiyah Yogyakarta as a place that provides a lot of knowledge and opportunities that are so valuable and useful.

11. As well as to all respondents who volunteered to help me in carrying out this research.

12. And finally to myself Putri serly audia, congratulations to myself for getting to this stage and thank you for persisting all this time, thank you for always trying good things even though what you want is not achieved, thank you for always trying to get up, thank you for not giving up on completing this thesis even in such difficult circumstances, this is worth celebrating for yourself. Be happy wherever you are, and whatever your shortcomings and strengths, let's celebrate yourself.

CHAPTER 1 1

A. Background 1

B. Problem statement 7

C. Research Objectives 7

D. Research Benefits 8

CHAPTER II 9

A. Theoretical Framework 9

1. Agency Theory 9
2. Expectancy Theory 10
3. Employee Performance 11
4. Accounting Information Systems 15
5. Work Motivation 17
6. Utilization of Information Technology 20
B. Previous Research 21
C. Hypothesis Derivation 23
a. The effect of information systems on employee performance 23
b. The effect of work motivation on employee performance 24
c. Effects of information technology use on worker performance 24
D. Frame of Mind 26
CHAPTER III 27
A. Object and Subject of Research 27
B. Data Type 29
C. Sampling Techniques 29
D. Data Collection Techniques 30
E. Understanding Operational Research Variables 31
F. Test Instruments and Data Quality 35
1. Validity Test 35
2. Reliability Test 35

G. Hypothesis Test and Data Analysis 36
1. Classical Assumption Test 36
2. Hypothesis Testing 38
CHAPTER IV 42
A. Overview of Research Subjects 42
1. Respondent Demographics 43
B. Instrument and Data Quality Test 47
1. Validity Test 47
2. Reliability Test 52
C. Research Results (Hypothesis Test) 55
1. Descriptive Statistics 55
2. Classical Assumption Test 57
3. Multiple Linear Regression Test 65
CHAPTER V 74
A. Conclusion 74
B. Implications 75
C. Limitations 76
D. Suggestion 77
