Bismillahirrahmaanirrahiim, In the name of Allah, the most gracious and the most merciful. First of all, praise belongs to Allah, who gives me opportunity to finish my bachelor's degree that I have done in the last 4 years. I cannot finish this long journey without his blessings and pleasure which guide me to the right path. Indeed, I am nothing without him.

I am especially grateful to my parents, Bunda and Bapak who supported me emotionally and financially. I always knew that you believed in me and wanted the best for me. Thank you for always supporting me, accompanying me in these ups and downs in life, for loving me forever till I die, thank you so much for all the prayers you pray for, and last, thank you so much for being the best parents in this world. I love you both so much!

Moreover, this *skripsi* will never be completed without the greatest guidance of my beloved *skripsi* advisor, Mr. Dr. Suryanto, who took the time to guide me in writing my *skripsi*. My sincere gratitude goes to Mr. Suryanto for being the light in every confusion I encountered in accomplishing my *skripsi*. Hopefully, Allah SWT will always give His blessings and protection to Mr. Suryanto, Aamiin.

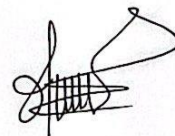

Special thanks to my *skripsi* examiners, Mrs. Mariska Intan Sari, M. A. and Mrs. Eko Purwanti, Ph.D for all the advice and suggestion to make this *skripsi* better than before. May Allah give health, happiness, and blessings to my beloved lecturers, Mrs. Mariska and Mrs. Eko, Aamiin.

To all my beloved 9 gang bestie, Sheyen, Pina, Zaidah, Frida, Azka, Debay, Ayu, and Shelly. Thank you so much for being my bestfriends ever! Thank you for always caring about me and being supportive. Hope we always have our year-routine trip till we grey and old.

For all my JHS bestie, Hana, Nisa and Aiss. Thank you so much for our almost 10 years friendship! Thank you for all the laughs and cries we shared together. I will never have a best friend like you three for twice.

For the beloved and annoying man ever, M. Ridho Al-fajar, I would like to say thank you so much for the sudden come in my life and support me in writing this *skripsi*. Thank you for always making me feel like the luckiest girl in the world. Thank you for never being tired of hearing all my sighness and cries every single day even though you feel more tired than me. May Allah bless your sustenance and always give you a happiness. I hope He will give a best destiny to us in the future, Aamiin.

Last but not least, I wanna thank me. I wanna thank me for believing in me, I wanna thank me for doing all this hardwork, I wanna thank me for having no days off, I wanna thank me for never quitting, I love me and always proud of me!
