## DEDICATION PAGE

Alhamdulillah Rabbil Aalamin, with all of my gratitude and appreciation, I give thanks to Allah SWT, who has provided me with guidance and gifts while I've been preparing my final thesis, which is one of the criteria for earning a bachelor's degree. The author would like to extend his heartfelt appreciation to everyone who helped, encouraged, and supported him while he was writing this final thesis. The author is pleased to have arrived at this stage. Author want to present this final thesis to:

1. This work is a testament to the love, support, and unwavering belief that my parents have shown me throughout my journey. To my beloved mother, Sutaryani and father, Paryanto, your guidance, sacrifices, and values have shaped who I am today, and for that, I am forever grateful. You have always been my pillars of strength, encouraging me to pursue my dreams with resilience and determination, even when I faced challenges. This achievement would not have been possible without you, and I dedicate this work to you both with all my love and deepest gratitude.
2. To my dear siblings Ika Ryanti, Riant Anggoro, and Tria Ayu Fatimah, this journey would not have been the same without your constant support and companionship. You have been my source of strength, laughter, and encouragement throughout all the challenges and triumphs. The bond we share has been a foundation for me, reminding me of the importance of family and togetherness. I am deeply grateful for your presence in my life, and I dedicate this work to you with all my love and appreciation for the countless ways you've enriched my life.
3. To my incredible friends, such as my classmate, J class and my house mate, that I can't mentioned your name one by one. This journey has been all the more fulfilling because of all of you. Your belief in me, even when I struggled to believe in myself, has meant the world. The shared laughter, countless conversations, and unforgettable memories have not only lightened the load but have given me the strength to push forward. In moments of doubt or exhaustion, your presence has been a constant reminder that I am never alone in this. Your

friendship has been a guiding light, offering comfort, perspective, and the joy that has made every step of this path brighter. I am endlessly grateful for your loyalty, kindness, and the way you have stood by me through it all. This work is a tribute to the bond we share, and I dedicate it to you with deep appreciation for the difference you've made in my life.

4. To my special partner, Angel, you have been my rock throughout this entire journey. Your endless calmness, patience, and trust in me have carried me through the toughest of times. In moments of doubt, you have been the voice that pushed me forward, and in moments of triumph, you are the person I most want to share it with. Your affection has given me the courage to dream bigger and work harder. This work is a reflection of your support as well as my endeavours. With all my might, I dedicate this to you, because I know that your presence has made every challenge worth facing.
5. To my esteemed thesis supervisor, Arie Kusuma Paksi, S.IP., M.A., Ph.D, your guidance and support have been invaluable throughout this journey. Your expertise and insights have shaped my research and helped me navigate challenges with confidence. Thank you for your patience, encouragement, and constructive feedback, which have pushed me to refine my ideas and elevate my work to new heights. Your belief in my potential has inspired me to strive for excellence, and I am profoundly grateful for the time and effort you dedicated to my development. This thesis stands as a testament to your mentorship, and I dedicate it to you with deep appreciation for all you have contributed to my academic journey.
