MOTTO

كَمَا إِصْرًا نَاعَلَيْهِ تَحْمِلُ وَلَا رَبَّنَا أَخْطَأْنَا أَوْ نَسِينَا إِنْ تَوَاخَدْنَا لَا رَبَّنَا اكْتَسَبْتُمْ مَا وَعَلَيْهَا كَسَبْتُمْ مَا لَهَا وَسُنْعَهَا إِلَّا نَفْسًا اللَّهُ يُكَلِّفُ لَا
الْكَافِرِينَ قَوْمًا عَلَى فَانصُرْنَا مَوْلَانَا أَنْتَ وَارْحَمْنَا لَنَا وَاعْفُ عَنَّا وَاعْفُ بِهَ لَنَا طَاقَةَ لَا مَا تُحْمَلْنَا وَلَا رَبَّنَا قَبْلَنَا مِنَ الَّذِينَ عَلَى حِمْلَتَهُ

Allah does not burden anyone except according to his ability. To him is the reward for what he has done, and to him is the punishment for what he has done. (They pray,) “O our Lord, do not punish us if we forget or err. O our Lord, do not burden us with a heavy burden as You burdened those before us. O our Lord, do not impose on us that which we are not able to bear. Forgive us, pardon us, and have mercy on us. You are our protector. So, help us against the disbelievers.”

PREFACE

All praise and gratitude goes to Allah SWT who has bestowed his grace and guidance so that the author can complete the writing of this thesis with the title Evaluation of PT McDermott Indonesia's Role in Promoting Sustainable Development goals well. The writing of this thesis was prepared to fulfill the obligations that are one of the requirements for obtaining a Bachelor of Strata-1 (S1) degree from the International Relations Study Program, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta, and as an implementation of the theories and concepts that the author has learned during lectures. The completion of this thesis is inseparable from the guidance and support of various parties, therefore on this occasion the author would like to thank:

1. My parents, to my father Mr. Gatot Winotosaya who has left before seeing me succeed in pursuing education as he wanted, hopefully he can see my success in pursuing this education. May he be proud of what I have achieved and worked for and to my mother, Mrs. Zakbah. A very extraordinary mother, who strives for her child's education until this moment. With all her efforts and hard work, I managed to realize her dream for her daughter. I hope you are proud of my struggle to get to this point, to a point that I did not expect, which I always try to take responsibility for because of my parents' hard work. Thank you for fighting for your child until graduation.
2. To my college friends, who always fight for me to go to class, complete assignments, remind important events on campus. Especially Ara, Tiwi and Della who have colored this lecture life. Sometimes I feel lazy to go to college because of their enthusiasm to encourage their friends to become active students. May we meet in our glory days my friends in arms.
3. To my dorm mates, who have helped me live here in Jogja. Coloring life in a city that was initially very foreign to me, sharing jokes, laughter, joy and sorrow here. Especially Yani, Feby and kak lastri who have accompanied me a lot in this city,
4. To Fahry, Thank you for always supporting all my activities at the end of this college. Always celebrate my every effort, strive for my happiness in this city. Hopefully we can get to the destination we want together.
