EXTENDED GRATITUDE

Alhamdulillah, I would like to praise the presence of Allah SWT for the blessings, grace and favors that have been given as well as the ease and smoothness that I received in pursuing my academic journey to successfully finish this thesis. I offer this work as a tribute to my beloved people.

1. Thank you to the two most significant and cherished individuals in my life, Mr. Sarkani and Mrs. Silviyanti. I am grateful for your unwavering support, guidance, and benevolent prayers that have accompanied me throughout my journey, despite the challenges and sacrifices involved.
2. Thank you to my supervisor, Idham Badruzaman, S.IP., M.A., PhD, who has guided me with all his knowledge and provide a lot of meaningful experience to get through undergraduate education.
3. Thank you to my brother Kevint Julian Kautsar and my sister Febby Rosaliani Sarti for their prayers, suggestion and for providing me with a platform to share my story during each gathering.
4. Thank you to everyone who has left their mark on my life in Jogja, I will never forget you. All of the good and terrible experiences you've given me have taught me valuable lessons and made me a better person than I was before.
5. And to all those who remained by my side until this thesis was crafted, I extend my heartfelt gratitude. Thank you profoundly for choosing to stay and enrich my days, even when I faltered and was not at my best. Your decision to engage in debate rather than depart has left an indelible mark on my journey. Without inscribing your names here, I am sure that this message will find its way to you, for you are among the precious few who choose to stay by my side. I'm not good at words, but may the world always greet you with kindness, may your wishes be met with favor, and may we one day cross paths again.
6. Last but not least, I wanna thank me. I wanna thank me for believing in me, I wanna thank me for doing all this hard work, I wanna thank me for having no days off, I wanna thank me for never quitting, I wanna thank me for always being a giver and tryna give more than I receive.
