DEDICATION

I always give thanks to Allah SWT who has to give His grace and guidance so that I can complete this undergraduate thesis. Even though there are some difficulties but I can get past them with good. I feel proud of myself because I was able to endure until this time and prove that I can deal with it. This undergraduate thesis is me present to:

1. My beloved mother (Mama), Mrs. Dwi Evita Dianawati, thank you for caring for and educating me with great attention and affection. Thank you for the support and *do'a* that you always give. You are my first true love.
2. My beloved father (Ayah), Mr. Kun Syukronie, thank you for the trust and advice you have given to me. I really respect the effort you put for me to get a good education. You are my true hero.
3. My beloved twin sisters, Ms. Launa Syuvi Elma and Ms. Launi Syuvi Elmi, thank you for the support and blessings you have given me, I hope you will become successful people and can make our family proud.
4. For loved ones, Melinda Ismawati, thank you for all the support given, in the ups and downs of life, you are always there. You are one of the reasons I keep fighting. And what you have been waiting for has finally arrived.
5. For my supervisor, Mr. Radyan Dananjoyo, S.E., M.M., M.Sc., Ph.D., I'm grateful that you helped me get through college and graduate. Thank you for providing this valuable knowledge. I sincerely hope you stay in good health.

6. For all of my best friends, Aby, Yusron, and Raja. Thank you for giving me the strength to persevere and for all the support you provide. I hope we can achieve success together and continue to be close friends in the future.
7. For all parties that cannot be mentioned one by one, I would want to express my gratitude for the assistance you provided during the process of writing this thesis. I appreciate your help so far.
