

The complexities of e-government implementation in Sudan, from the perspective of public servants:

A case study of Khartoum state.

Prepared by: Adil Hassan Ibrahim

Student ID: 20212020003

Submitted to the doctoral program of political sciences-

Postgraduate college

University of Muhammadiyah Yogyakarta- Indonesia.

2024

Dedication:

I would like to dedicate this PhD dissertation to my country-Sudan, specifically our E-government, and I believe that this work can contribute to the development and improvement of Electronic Government in Sudan and further support the relationship between government and citizens, Government and Businesses via the correct specification of E-government implementation challenges in Sudan and then attempts to overcome the highlighted issues.

I hope this dissertation can improve the performance of electronic government around the world through its implementations. In terms of academia field, this Research was carried out with the aim of contributing to the literature of E-government for the enhancement of understanding of e-government complexities in developing nations.

Acknowledgement:

First and foremost, I express my gratitude to Allah for granting me health, strength, and, much more opportunities to complete my studies. Also, I owe a lot to the guidance, directing, and, assistance of the amazing supervisory team, but first of all, I would like to send my sincere thanks to my supervisor Prof.Dr. Achmad Nurmandi and Prof. Dr. Sunyoto Usman for giving me valuable advice, support, encouragement, and suggestions for creativity, innovation, and, improvement throughout the dissertation. I am incredibly thankful and impressed by their logical way of thinking that I learned from them during dissertation writing, and for taking their time out of a busy schedule. I am also thankful to our professor Prof.Dr. Ulung for providing me with a concrete base about the techniques of writing an effective and influential dissertation. I have to say thanks to my colleagues for their cooperation and encouragement during the carry-out of this work. Thank you so much University Muhammadiyah Yogyakarta and the State of Indonesia for welcoming me, and for providing me with this wonderful opportunity to study in this golden learning environment. I am thankful to my parents and all other family individuals for their valuable, nice, and, unparalleled support in the fulfillment of this study.

Adil Hassan Ibrahim Mohamed.

Approval Sheet	Error! Bookmark not defined.
Abstract	vi
Chapter I: Introduction	1
1.1. Study background:	1
1.2 E-Government World ranking of Sudan from 2014 to 2022:.....	5
1.3. Comparison of Sudan and some African countries in E-government performance	5
1.4. Research questions:	8
1.5. Research Objective:	9
1.6. Research Benefits:	9
1.7. Scope of the research:	9
Chapter II: Literature Review:.....	11
2.1. Digital Government:	11
2.2 E-government implementation challenges: A review.....	13
2.3 The most important research related to this study:.....	16
2.4. The Emergence and Development of Digital Government:	18
2.5. Objectives of Digital Government:.....	19
2.6. Taxonomy of digital government Services interactions:	20
2.7. Advantages of E-government transformation:.....	22
2.8. Disadvantages of E-government transformation:	23
2.9. Stages of E-government development:	25
2.10. Online Government in the World:	28
2.11. Digital government in the Arab world:.....	30
2.12. Online Government Services in Sudan:.....	31
2.13. Examples of Services delivered electronically in Sudan:	35

2.14. Barriers in Literature related to E-government services globally:.....	39
2.15. Public servants’ adoption of information technology:.....	41
2.16. Summary of E-government implementation models:.....	52
2.17. E-government environments in different contexts:	53
2.18. Development of Initial Research Conceptual Framework:	57
2.19. Research hypothesis:	58
2.20. Variables and Indicators of the study:	58
Chapter III: Research Methodology.....	60
3.1. Introduction:	60
3.2. Research paradigm (Research philosophy):	61
3.3. Research Methodology:	62
3.4. Research Data Collection	65
3.5 Research population and sampling (quantitative & qualitative).....	68
3.6. Research data analysis technique:	70
3.7. Data collection sources:.....	74
Chapter IV: Research Findings	76
4.1. Introduction:	76
4.2. An overview of the profile of respondents:	76
4.3. Description of Respondents.....	77
4.4. Smart PLS descriptive statistics analysis:	81
4.5. Data screening and Smart PLS software analysis:	88
4.6. Model Evaluation criteria:	88
4.7. Measurement Model evaluation	89
4.8. Structural model evaluation:.....	92
4.9. Results of Smart PLS Data Analysis:	92
4.9.1. Measurement model (outer model) test:	92
4.9.2. Structural model (Inner model) test result:.....	99
4.9.3. Result of hypothesis test by employing Smart PLS (2023):.....	103
4,10. Quantitative Data Results Discussions:	107
4.10.1 Cultural factors:	108

4.10.2 Financial factors:	111
4.10.3 Organizational factors:.....	114
4.10.4 Political factors:	117
4.10.5 Technology factors:	120
4.10.6 Adaptation factors:.....	124
4.11 Qualitative data analysis:.....	128
4.11.1. Introduction:	128
4.11.2 Profile of participants:	128
4.11.3. Thematic analysis (TA):	129
4.11.4: Phases of Thematic Analysis:.....	132
4.11.5. Reliability and validity of qualitative findings:	133
4.11.6 Qualitative research findings:	134
4.12 Result of Matrix coding:.....	135
4.12.1 Technology and infrastructure factors:	135
4.12.2 Adaptation factors:.....	137
4.12.3 Organizational factors:.....	139
4.12.4 Financial factors:	141
4.12.5 Cultural factors:	143
4.12.6 Political factors:	144
4.12.7 Ranking of factors, based on participants perspectives:	146
4.12.8 The Revised Model Developed for the Current Study:	146
Chapter V: Conclusion	148
5.1 Introduction:	148
5.2 Summary of the research findings:	148
5.3 Research contributions and implications:	151
5.4 Limitations and recommendations for future research:	152
References:	154
