Thesis Title : **THE DUAL ROLES OF WORKING HOUSEWIVES IN
THE PERSPECTIVE OF ISLAMIC LAW: A
PHENOMENON OF STREET HAWKERS IN ALUN-ALUN
KIDUL YOGYAKARTA**

I hereby declare that the writing of this thesis is based on the results of my own research, thoughts, and original presentation. As far as I know, there is no work or opinion piece written and published by anyone else that holds up to my research. Several authors may have written about the dual roles of women or housewives before. However, no one has written regarding the dual roles of women or housewives who work with a case study in Alun-Alun Kidul Yogyakarta.

I make this statement truly, and if in the future there are deviations and untruths in this statement, then I am willing to accept academic sanctions in the form of revocation of the degree I have obtained for this written work and other sanctions in accordance with the regulations in force at Universitas Muhammadiyah Yogyakarta.

On this statement, I made it in a conscious and without coercion from any
