MOTTO

“Allah will raise those who have believed among you and those who were given knowledge some degrees.”

(QS. Al-Mujadalah : 11)

“Whoever takes the path to seek knowledge, Allah will make it easy for him to go to heaven.”

(HR. Muslim No. 2699)

“Demanding knowledge is mandatory for every Muslim and Muslimat”

(HR. Ibnu Abdil Bari)

“Seek knowledge even in the land of China”

(HR. Abdul Bari)

“Knowledge is better than treasure, knowledge protects you while you safeguard treasure. Knowledge is a judge, while treasure is subject to law. Treasure can be reduced due to use while knowledge will increase when used.”

(Ali Bin Abu Thalib)

“If a person dies, his practice will be cut off except for three things namely : jariyah charity, a useful knowledge, or the prayer of a pious child.”

(HR. Muslim No. 1631)

DEDICATION PAGE

Alhamdulillahirabbil'alamin, Thanks to Allah SWT who has given me His blessings and grace so that this undergraduate thesis can be completed.

The truth, I could not have achieved my current level of success without the support of a number of group. Several people have contributed financially, emotionally, academically, and practically. Without their help, it would have been difficult for me to finish the undergraduated thesis.

This is the appreciation and dedication for irreplaceable people in my life...

To my beloved parents, Mr. Suyamto and Mrs. Sukinem. Thanks for taking care of me until now.

Thanks for always believe in me. Thanks for your endless and unconditional love. Thanks for being patient with me all the time. Thanks for not being tired of me. Thanks for everything in my life. This undergraduate thesis is dedicated for you two, through in this I want to tell you that you both mean the world to me. There are not enough words to express how grateful I am to you. I promise that I will make you proud of me. Love, Your Daughter.

To my beloved brother is Khoirul Ahmad Safrudin and my sister is Siti Maisaroh. Thank you, for always being there for me whenever I need someone to laugh with or for someone to listen my complaints. Success for you and let's make Mother and Father proud of us. Love you my brother and my sister.

To IPAcc Students Batch 2017 (Risma, Ufi, Ema, Difa, Wulan, Giki, Nisa, Mimi, Iyun, Fikri, Akbar, Rasyid, Malia, Bila, Ainun, Aput, Rois, and Amri). Thank you for the unforgettable experiences.

To All my friends and relatives. I can't mention all you are here.

To all of you guys who always provide support and accompany me in the completion of this thesis. I will never forget the kindness of all of you.

ABSTRACT

This study aims to determine the effects of the community participation and the quality of disbursement system towards public trust with the quality of handling Covid-19 as the intervening variable (an empirical study on village government in Muaro Jambi Regency). This sample was taken using cluster random sampling method which was conducted in Muaro Jambi Regency. This type of research data uses primary data. The theories used are stewardship theory, stakeholder theory, and compliance theory. This study contained 6 hypotheses which were processed by intervening tests in the SPSS version 22 application. The results showed that community participation had no effect on public trust, the quality of disbursement system had a positive effect on public trust, community participation had an effect on the quality of handling Covid-19, the quality of disbursement system had effect the quality of handling Covid-19, the quality of handling Covid-19 had effect public trust, there was an direct effect of community participation and the quality of disbursement system on public trust mediated by the quality of handling Covid-19.

Keywords : Community participation, The Quality of Disbursement System, Public Trust, The Quality of Handling Covid-19.
