EXTENDED GRATITUDE

This thesis and my four-long years of college was only possible to be completed as it is with the tremendous support from those who have been with me throughout the whole process. Therefore, I would like to personally deliver my deepest gratitude to:

1. Myself, for I have grown and learned so much throughout this terrifying roller coaster college ride. Thank you for making it through the difficult days and never giving up. Thank you for the stepping-out-of-comfort-zones and thank you for being true to yourself and always believing in yourself throughout the whole process. I know it's been a very rough ride, but you made it Dy!
2. My parents, Bunda and Ayah, who have gone through and sacrificed so much just so I could complete my studies, whose prayers for me are never-ending, and whose support are infinite. I don't think I can put into words how grateful and blessed I am to have parents who have always taught me to be obedient to Allah SWT, work hard, and be a person that brings great joy and kindness to everyone. Every accomplishment that I have received are forever thanks to your prayers and support.
3. FPGT, Alfi, Icha, Hasti, Gittha, Daus, Mba Ajeng, and Safira, my best friends since day one. Thank you for this amazing friendship that we have where laughter and joy is always made present, even during hardships. I honestly would not be able to pass my classes and go through four years of college without you guys. I owe you guys a lot.
4. My Komahi buddies, Zafirah, Caca, Zain, Alvi, Bale, Dito and Satria, you guys have been great companies.

Thank you for always having each other's backs and wanting to learn and struggle together. Many great memories pop-up in my head just thinking about you guys, and I cherish each and single one of them.

5. Komahi UMY, especially BB, for giving me numerous opportunities to learn and grow, and trusting me with great responsibilities. It was definitely outside my comfort zone, but I have learned and grown so much as a person throughout the 3 years of being a member. Thank you.
6. IPIREL 2017, thank you for the great teamwork in completing what seems like a never-ending cycle of assignments, papers, and presentations!

May good things always surround all of you.
