STATEMENT

With this, I,

Name : Armalinda Putri Wardhani

Student Number : 20140430339

State that the undergraduate thesis titled: **“THE EFFECT OF FOREIGN DIRECT INVESTMENT, TRADE OPENNESS, INFLATION, AND INTERNET ON THE ECONOMIC GROWTH(Case Study on Six BRIICS CountriesPeriod of 2009 to 2019)”** has never been submitted to obtain a bachelor’s degree in a tertiary institution or university, and to the best of my knowledge there are no works or opinions that have been written by other people, except for those that are referred to in writing and mentioned in the References. If it turns out that in this undergraduate thesis it is known that there are works that have been published by other people, then I am willing to accept the consequences.

Tribute

This undergraduate thesis is tribute for my mother and my father. May Allah SWT always pour endless blessing and happiness upon both of them.

PREFACE

All grace towards Allah SWT that He has given ease, mercy, and blessing in the writing of this undergraduate thesis titled: “The Influences of Foreign Direct Investment, Inflation, Trade Openness, and Internet on the Economic Growth in all six BRIICS Countries”. This undergraduate thesis is made to meet one of requirements in achieving the Bachelor’s Degree in Faculty of Economics and Business of Yogyakarta Muhammadiyah University. The author took out this topic with hope it can give opinions and suggestions for organization in decision making and give ideas for studies in future.

In the finalization of this thesis, there are helps and guidance from many parties, so that in this chance the author is sending gratitude to:

1. Mrs. Dyah Titis Kusuma Wardani and Mr. Dimas Bagus Wiranatakusuma in which with full of patience have guided me and give me so much helps in the process of thesis writing.
2. My mother and my father, along with my brothers who have always sent me prayer, materials, and vibes endlessly.
3. The Dean of Faculty of Economics and Business of Universitas Muhammadiyah Yogyakarta that has given guidance and ease during the finalization of the writing.
4. All parties that have already sent support, helps, love in the process of this thesis.

The author realizes there are many imperfections in this thesis. Therefore, critics and suggestions are indeed needed for the development of researches in the future.
