Acknowledgement

Firstly, I would like to express my gratitude to Allah *Subhanahu Wata'ala*, the Most Gracious and Most Merciful. Alhamdulillah with His grace and love so that I can finish this *skripsi*. Second, I would like to thank my *skripsi* supervisor who was very patient in guiding, Arifah Mardiningrum, M.A. Thank you for your energy, input, and time to guide the writing of my *skripsi*. To my examiners Mariska Intan Sari, S.S., M.A. and (examiners 2). Thanks for the laughs, jokes, and input during my defense. I find it very helpful to reduce my nervousness. Last, English Language Education Department and staff, all the lecturers, and the comfortable atmosphere has made learning very extraordinary for almost 4 years.

To my family, my parents I want to say thank you very much for the sacrifices you both have done for me so far to achieve this education. By giving a positive spirit and, of course, the support you have given me during my undergraduate education means a lot to me thank you. To my sister Pasya, I hope I can be the best role model for you, and I hope you can get a better education. To my grandparents and big family, I thank you for helping me during my undergraduate education and providing positive support.

My dearest friends, Sefri Dila Eriyanti, Zahra Cantigi, Pradika Anggun Bunga Pratiwi, Yana Ameria Ursela, I would like to express my gratitude to you for being a supportive friend throughout my undergraduate studies and for treating me like family in Jogja. Thank you for encouraging me and listening to my complaints, but I am sure all of you tired of hearing my complaint hahaha. By the way, I still love you, especially when I am working on my *skripsi* and my mental

condition is unstable. Whether I am happy or sad, you are always there for me. Basically, I want to express my gratitude to each one of you.

Thank you to the English language education department, to the teachers who have educated the students, and one of which was me. Thank you for responding well in assisting me with data retrieval for my *skripsi*. I would like to thank you very much for making it easier for data retrieval to complete the *skripsi* to become an undergraduate.

Finally, I would like to thank myself. Thank you for holding out around until now and being strong through it. Thank you for trying to keep writing *skripsi* and revision. Thank you, it turned out that I was able to fight hard to finish my education, and now I have finished with this *skripsi* and will continue with a new life. All their struggles and prayers are one of the things that made me able to finish this *skripsi*. In addition, I had to fight hard to keep writing the *skripsi* with mentally unstable, and I had to be patient while working on this. Thank you *skripsi*, I learned how to be patient and must keep writing *skripsi* even when I do not have the motivation. Now I am done with all of this. Bye!
