EXTENDED GRATITUDE

I honestly do not even know where to begin writing my gratitude when this undergraduate thesis finished. With so many amazing people in my life, I cannot pick a starting point for this. There is too much to cover in pages, but by these pages I dedicated this undergraduate thesis to those whom I want to personally and sincerely thank:

1. For my parents, Mama Sidarsih. Bayu SW aka author are very grateful for all the support and prayers given so far. The author makes you (parents) the highest priority in everything, especially in taking this education. It is enough to prove the responsibility taken by the author for all the things that mama does. Thank you and sorry for everything.
2. For the most Allah's beautiful gifts that I called as siblings. My brother, Gusti Surya Wijaksana. Appreciative doesn't begin to describe how thankful I am for having you. Thank you for always have my back and vice versa.
3. My appreciation for the one that I always admire, my advisor and the head of our department, Sugito S.IP., M.Si. Thank you for always encouraging and constantly leading me down the right path, and for always believe in me I can do better than I thought. Therefore, it motivates me to believe in myself more than anyone believe in me.
4. A sincere appreciation for Dr. Takdir Ali Mukti, S.Sos., M.Si and Muhammad Zahrul Anam, S.Ag., M.Si. as the board of examiners for my undergraduate thesis proposal. And also to Prof. Dr. Bambang Cipto, M.A. and Siti Muslikhati, S.IP., M.Si as the board of examiners for my undergraduate thesis.
5. Zenipia Dwi Adisty. Thank you for being so kind and sympathetic. I managed to overcome all these challenges just because of you. And now I have hope for a better future.

6. For International Relations UMY especially International Program of International Relations (IPIREL) batch 2016. Thank you for taking part of this beautiful journey in my life.
7. For everyone that I know and everyone who reading this, thank you for simply exist in my life!
8. Last but not least, the most important person who makes this undergraduate thesis exist: Bayu Surya Wijaksana. In this world where people become greedier, thank you for always trying to be grateful even for the smallest things.

Without all of you, I'd be nowhere near the person I am – and the person I'm still working on becoming. There are not enough words in the world to express my appreciation, but I think this is a good start and will be precious thing that I always treasure in the future. I owe each of you one.
